had sustained a lethal wound.

A missile had gone in or out of the back of his head, causing extensive laccerations and loss of brain ti Shortly after I arrived, the patient, the President, lost his heart action by the electrocardiogram, his heart then had stopped.

We attempted resuscitative measures of his hear including closed chest cardiac massage, but to no avail.

Q. That was closed chest?

DR. CLARK: Yes.

Q. Does that mean external, Doctor, closed?

DR. CLARK: Yes. We were able to obtain palpab pulses by this method, but, again, to no avail.

Q. What is palpable?

MR. HAWKS: What did you ask?

Q. Palpable?
